DESIGN LANGUAGE

In collaboration with Nikken Sekkei, the design's clarity and proportion set the base.

The Fire identity of this tower shows up in atmosphere and rhythm rather than ornament: warm night lighting, robust materials and crisp lines that read modern by day and radiant by night.

It stays refined and minimal, but with a deliberate social charge that distinguishes East Residence 3.

ABOUT EAST RESIDENCE 3

East Residence 3 sits on Serenia District's lively edge: lakeside calm to the front over Jumeirah Islands, urban sparkle to the back towards JLT.

Designed by Nikken Sekkei, it carries Serenia District's clean, Japanese-informed discipline, then layers a warmer, more social character in the podium and common areas.

The result is a tower tuned for daily momentum and evening glow, within a walkable, socially oriented community.

VIEWS AND ORIENTATION

Primary views to Jumeirah Islands' lakes; secondary outlook to JLT for city vibrancy and lights.

Thoughtful design optimises corner living rooms and broad panoramic views.
